

## Statement of consent

### Photographs of pupils

While your child attends our Academy, we would like to take photographs of him or her taking part in Academy activities such as classroom work, drama productions, sport and on Academy trips. Please tell us if you consent to us using photographs of your child by ticking the boxes below.

We would like to use your child's photographs:

- In and around the Academy, in places that might be seen by visitors
- On social media, for example twitter or Facebook
- On the Academy website
- In wider marketing and publicity

I agree

<input type="checkbox"/>

If you give us consent, you can withdraw it at any time by getting in touch with us by telephone, email or in person.

### Biometrics (fingerprints) for pupils

In our Academy, we have systems that can identify children using their fingerprints. We use these systems for:

- Payments for Academy catering and meals;
- Issuing library books; and
- Accessing printers and photocopiers

These systems use measurements from fingerprints, which are stored securely by the companies that supply the systems. They do not store actual fingerprint images and we use the measurement information only for the above purposes. We do not share the information with anybody else.

The law tells us we need your permission to use your child's fingerprints for identification. If you give us permission, you can withdraw it at any time by writing to us. Even if you give us permission, your child can ask us not to take or use their fingerprints by speaking to a member of staff. If you don't give us your permission to use your child's fingerprints we will provide your child with other ways to access services.

Please tell us if you consent to us taking and using your child's fingerprint information for catering, library and printing/photocopying by ticking this box

I agree
